Wai'anae Business Highlight

Building Community One Slice at a Time

Slice's journey began in 2019 with humble roots. It offered crowd-pleasing bibingka brownies that soon captured the hearts and taste buds of locals. As the years unfolded, the Lukelas, fueled by their shared love for the culinary arts and driven by a desire to contribute to their vibrant community, expanded their offerings to include an array of delectable treats, from ice cream pies to cakes and baked goods.

But Slice by HB Baking is more than just a dessert destination; it's a pillar of community support and engagement. Heather and David seize every opportunity to give back, whether by inspiring students at career days, donating to local causes like the Women's Fund, or participating in events that support public schools.
